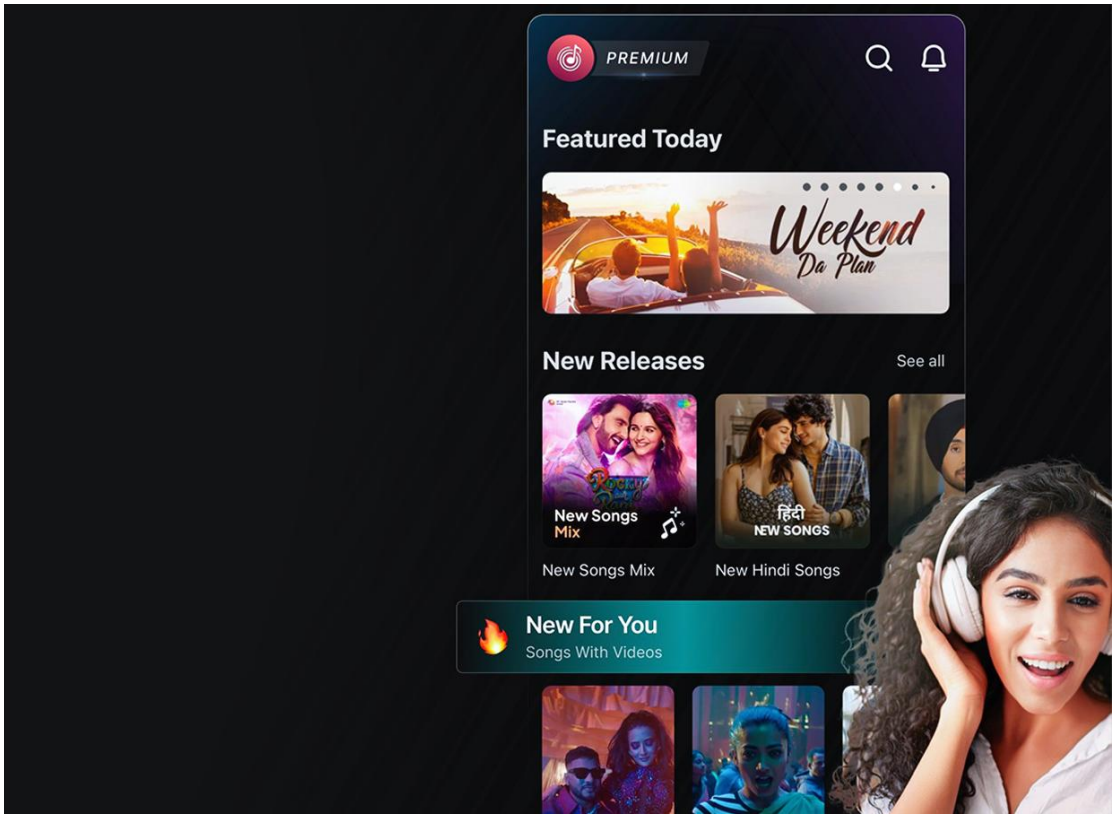
Introduction: Music That Fits Every Moment



Music has become a part of our daily life — it inspires, relaxes, and connects us. That's why millions of people use Wynk Music, an all-in-one music streaming app that brings everything you love into one place.

From Bollywood hits and English pop to K-Pop and devotional songs, Wynk offers over 24 million tracks, podcasts, and HelloTunes in one easy-to-use platform.

A Huge Library for Every Taste

Wynk Music features every genre you can imagine — romantic, party, retro, indie, or lo-fi.
It includes both global and local artists like Arijit Singh, Lata Mangeshkar, Taylor Swift, Justin Bieber, and BTS.

Whether you want trending hits or classic melodies, Wynk gives you endless options.

Download and Listen Offline

Poor internet connection won't stop your music anymore.
With Wynk, you can download songs and listen offline anytime, anywhere.
It's perfect for travel, gym, or even when you just want distraction-free listening.

HelloTunes and Ringtones

Wynk lets you set your favorite song as a HelloTune or ringtone.
This feature helps you personalize your mobile experience and share your taste in music every time someone calls.

Wynk Premium: Ad-Free Music Experience

For users who want the best experience, Wynk Premium offers:

- Unlimited song downloads
